Investment Opportunities

HEALTHY LIFESTYLE

Get a full membership for the gymnasium for only 10.
During the next 2 rounds, your insurance counts for 1 level more due to your increased physical health.

Investment Opportunities

LABOUR UNION

Become a member of the Labour Union for 20.
In case of sickness, unemployment or strikes, the Labour Union will cover 70% of your income.

Investment Opportunities

REAL STATE

During the next round you can buy 'Housing, Transport & Food' and give this to another player, if they accept.

This player will then pay you 5 at the end of each round for the use of this.
When this agreement ends, the property (and the maintenance costs) return to the owner.

Investment Opportunities

GOVERNMENT BONDS

The state is borrowing money from the population to pay for pensions and is paying 5/round for each 100 invested.
T
his investment can be reclaimed only at the very start of each round.

Maintenance costs

CAR ACCIDENT

An in-experienced young driver hits your car during a chaotic traffic jam.
This driver did not have any insurance.
To cover the costs before the justice court rules in your favor, you have to fix your car.
You have costs according to the level of your 'Housing, Transport & Food':

Level 1: 5
Level 2 & 3: 15
Level 4: 20
Level 5: 30

Maintenance costs

INFLATION

Due to sudden movements on the global financial market, prices have gone up.
Pay 25% of the costs of 'Insurance' and 'Cloths, Technology and Free time'.

(the amount is rounded to the nearest '5')

Maintenance costs

PUBLIC INVESTMENTS

The government has decided to build a new national airport to maintain and increase the level of tourism.
To assure the needed area, they are buying 1 'Housing, Transport & Food' from every player at 50% of the purchase price. There is no possibility to contest this decision, unless you pay 15 for a lawyer who c an postphone this process for 3 rounds.

UNEXPECTED HAPPENINGS

STRIKE

Unpleased by recent budget cuts, the public sector has gone into a massive strike,
This is affecting everyone, also you.
Unless you are part of a Labour Union or you have minimum a 4 level insurance, you loose 50% of your income.

UNEXPECTED HAPPENINGS

HERITAGE

A family member passed away.
A heritage is offered to you.
In case you accept this heritage, throw the dice.
After the result of the throw is known, the bank manager will tell you what the heritage involves.

1 or 2: pay 20 for herited debts
3 or 4: receive 5
5 or 6: receive 60

UNEXPECTED HAPPENINGS

RIGHT WING ELECTION VICTORY

At the recent elections, a political party with strong xenophobic tendencies reached 28% of the votes.
This party has imposed a reduction (for everyone) of the basic fee with 50%, as an atempt to fight immigration.

UNEXPECTED HAPPENINGS

BUSINESS

An unexpected business opportunity: take over a succesful coffeeshop.
Pay min. 50 (the highest bid gets it) and receive every round 10 more on your basic income.
You can employ up to 2 other players.
You will pay those players 5 for each round, but you receive for every employee 10 extra on your basic income.
Keep this card in front of you.

PERSONAL HAPPENINGS

MENTAL HEALTH

Due to global changes and increased uncertainty about the future, mental health has become an increasing important aspect in life.
If you have no partner or children at this moment, pay 25 for therapy support and guidance.

PERSONAL HAPPENINGS

COMPULSIVE BUYING

Without realising it, you started buying plenty of things.
Not because you need those, but because of the 'false' satisfaction this gives you.
Your maintenance costs have therefor doubled, unless you have an insurance of minimum level 4.
If any other player wishes to donate some of their insurance with yours, this can happen now.

PERSONAL HAPPENINGS

SICKNESS

You got sick and temporarly can not work.
If your insurance is less than 3, you receive only 50% of your income.
For level 3 & 4 of insurance, you receive 80%.

In case you have level 5, then full income remains.

PERSONAL HAPPENINGS

DIVORCE

The relationship with your partner is not exactly going as you wish.
You have started family counceling, but the result is unsure so far.
Throw the dice: if 1,2,3 or 4: your relationship is saved.
In case of 5 or 6: your partner and half of your possessions ('Housing, Transport & Food' + 'Cloths, Technology & Free time') and cash are gone. Give this to the bank manager.

BANKING OPPORTUNITIES

GOLD

"The bank is selling part of their gold stock in amounts of 50 or 100.
Every round the price of gold can change by throwing the dice.

1 or 2: value drops 15%
3: the value drops 10%
4: the value remains unchanged
5 or 6: the value raises 30%
